### General work experience

Retail Sales Assistant at Repco Te Rapa 2022 - Current

In this role, I am responsible for

- Making sales, customers sometimes require a good pitch before making the sale.
- Helping customers find the parts or products they are looking for
- Find solutions to problems eg: aggrieved customers
- Maintaining a rapport with regular customers whether they are trade customers or retail

## Technical skills

---

Programming Languages: Java, C#, C, Python

Web Development: HTML, CSS, PHP, JavaScript, React, Node

Database Management: SQL

Tools and IDEs: familiar with git and Visual Studio

## Project experience

---

For a final-year project, I worked with other students and a local entrepreneur to develop an AI-powered(Ollama) Slack bot. The bot would provide tech support for the client's upcoming product release.

## Interests

---

Playing around with tech in my spare time eg: making a dedicated game server and car audio.

Going on hikes with my girlfriend.

Building furniture out of engine blocks
