

I feel I would be well suited to this position as I have a passion for the automotive industry and from my experience working at Repco I have the required knowledge and experience to efficiently and effectively liaise between the customer and the technician.

In the past, I have been praised for my excellent and consistent customer service.  
I am quite social and enjoy working in team environments, I get on well with anyone I meet.

I look forward to hearing back from you  
Scott
